To Whom It May Concern,

The following is a survey presented by the Tri-Community Coalition, a non profit 501(c)3 organization that services the local communities of Berkley, Huntington Woods, and Oak Park. The mission of the Tri-Community Coalition is to work together to prevent substance abuse and related risky behavior and to promote a healthy community for youth through education, partnerships and effective programming. The purpose of this survey is to assess the needs of the communities the Tri-Community Coalition serves, to address current gaps, and to create programming, educational events, and provide support to better serve the community.

This survey will take approximately 20 minutes to complete and is confidential. This means there will be no way to link your answers back to you. There is no known risk of completing this survey. You will not receive any compensation for taking this survey, however you will be eligible to enter a raffle at the end of the survey if you wish. If you do choose to enter into the raffle, we will ask you for basic information to get in touch with you. This information will NOT link back to your survey and responses.

As the purpose of this survey is to assess the needs of the entire community, it may be possible you have received a link to complete this survey from more than one resource within your community. In order for us to receive the most accurate data, please complete this survey once only.

If you would like to find out more information about the Tri-Community Coalition and how to participate in upcoming events, please visit our website at <http://www.tricomunitycoalition.org>.

Thank you for taking the time to complete this survey.

The mission of the Tri-Community Coalition is to work together to prevent substance abuse and related risky behavior and to promote a healthy community for our youth through education, partnerships and effective programming.
